Drop / Pick Up at the Temporary Trailer Facility:

Passengers who are not parking at the lot should be dropped off and picked up at the temporary Amtrak facility north of Jefferson St. on Mayor Art Schultz Drive.

Getting to the Temporary Facility from Joliet Union Station: Cross the Street Safely

For your safety, do not cross the street at Jefferson St. and Mayor Art Schultz Drive due to heavy vehicle traffic at that intersection. Passengers walking from Joliet Union Station to the temporary facility should follow directional signage leading to the stop light at Jefferson St. and Scott St., cross to the north side of the street, turn right on Jefferson St., then walk east under the railroad viaduct to the trailer on the left side of the street.
