Union Pacific Railroad High-Speed Rail General Contractor and Sub-Contractor Information Session

**Tuesday, April 23, 2:00 - 4:00 p.m.
Hilton Springfield, Prairie Room
700 East Adams Street, Springfield, IL 62701**

Union Pacific Railroad (UPRR), in conjunction with the Illinois Department of Transportation (IDOT), is upgrading about 215 miles of existing track from Chicago to St. Louis, as part of the High-Speed Intercity Passenger Rail program. UPRR will host an informational session about available general contractor and subcontractor opportunities, scale of work, qualifications, schedule and timing for contractor bid submissions.

UPRR ESTIMATES that there will be \$154,000,000 for contract services from 2013 through 2017 to complete work between Joliet and Wood River. Projects will include:

- **Paving**
- **Track Construction**
- **Fencing**
- **Pavement Marking**
- **Traffic Control**
- **Erosion Control/Seeding**
- **Grading**
- **Structure Replacement - Bridge and Culvert**

Please note, the informational session will be held in the Hilton's Prairie Room. UPRR and IDOT representatives will be available to answer questions and provide bid qualification information.

Contact Jay McAndrew at jjmcandr@up.com or 402-544-7267 to RSVP by April 20. Space is limited and is on a first come basis.

For additional questions, please contact Miriam Gutierrez at miriam.gutierrez@illinois.gov or 312-793-4803.

Union Pacific and Supplier Diversity

As America's premier railroad, Union Pacific serves many of the fastest-growing U.S. population centers and provides Americans with a fuel-efficient, environmentally friendly and safe mode of freight transportation. We recognize that strengthening and utilizing businesses owned by minorities and women contributes to the economic growth and expansion of the communities we serve. Our policy is to offer these businesses the maximum opportunity to compete with other suppliers and contractors in the marketplace. We will assist in developing and strengthening these business relationships by maintaining active efforts to seek, identify and encourage their participation in our procurement processes.
